Subject: U&O FIP Regulatory Impact Assessment

I wanted to pass along my appreciation for all of your hard work the past couple weeks. The RIA supporting Region 8's proposed FIP is a significant achievement and certainly could not have been completed without your help. This effort has been an amazing collaboration between Region 8, OAQPS, and OP; And I think we must have set an Agency speed record for RIA development!

We will plan on putting the finishing touches on the RIA this afternoon, and send it along with the FR notice and ROCIS form to OP tomorrow morning. Please let me know if there are any other edits to make before we finalize.

Best,

-Chris
